

EnergyConnect

Christmas & New Year shutdown 2025

December 2025

Elecnor Australia has been contracted by Transgrid to deliver part of EnergyConnect with the construction of 700km of new power lines from the SA border to the regional energy hub of Wagga Wagga. The project will connect the electrical grids of New South Wales, South Australia, and Victoria, improving reliability of our nation's energy supply.

EnergyConnect Christmas and New Year shutdown 2025

Shutdown dates

Elecnor Australia wishes to advise that the Christmas and New Year shutdown period for 2025 will take place from **Saturday 20 December 2025 to Sunday 4 January 2026** with the project activities resuming on **Monday 5 January 2026**. During this time, no scheduled work or project activities will take place along the project alignment.

Additional security will be in place to secure our workforce camps, construction laydowns, work sites during this shutdown period.
